

Year 10 Timetable

The lessons can be completed in any order. You should spend 1 hour on each lesson. Teachers will be setting the work on the days specified, but the work will stay available to you for a period of time in case you wish to refer back to previous lessons or for some reason you are unable to complete a task on any given day.

Don't forget to do a period of exercise each day too! The PE department continue to set exercise classes on Show My Homework.

Email any questions to Year10@thewestwoodacademy.co.uk

You can also upload work to this email address, make sure you clearly mark the email with which teacher you would like your work sent to, and your teacher will provide you with feedback.
